

Bring tax advisory to the next level with us

We need a Software Developer – Frontend/React (M/F/X)
2 years + React experience | Implementing Web Applications and Microsoft Office Add-ins

Start Date

As soon as possible

Location

Cologne, Germany

Who we are

Taxy.io is an award-winning tech startup that brings tax advice to the next level with artificially intelligent software.

What we look for

The team of Taxy.io is looking for a Software Developer – Frontend/React (m/f/x) who will work on our frontend, which includes both the development of React applications and Microsoft Office Add-ins.

Your profile

- 2+ years experience of having worked as a frontend developer in a scrum team
- Excellent software development skills, in particular in React and JavaScript
- At best, you already have experience in implementing Microsoft Office Add-Ins
- Passion for crafting high quality and elegant code
- Strong interest in new technologies and willingness to learn new things
- Experience in processing data from REST APIs
- Independent and solution-oriented work method
- Experience in agile software development as part of a scrum team (including the regular scrum meetings, pull requests, code reviews, and tools like Jira, Bitbucket, Confluence)
- Strong communication skills and team player
- Proficient knowledge of the English language

Bring tax advisory to the next level with us

What you can expect

As a Software Developer - Frontend/React (m/f/x) at Taxy.io you are involved in the product development right from the start and you are responsible for the development of our Taxy.io frontend applications using React and JavaScript. You can also expect:

- Dealing with responsibility and working as a member of a great agile team consisting of software engineers, data scientists, tax experts and experienced startup managers.
- Working in a startup company developing innovative products in the legal and tax sector with the chance to disrupt an industry
- The opportunity to grow professionally and personally
- Flexible working hours and places
- A beautiful and central office located in Cologne's Mediapark
- A competitive salary
- Having fun

How to apply

Please submit your CV, desired starting date and a salary expectation to hr@taxy.io and include 'Software Developer - Frontend/React' in the subject line.
